

# Session 02-06 - Mock Exam 01

## Section 02: Equations & Problem-Solving Strategies

Dr. Nikolai Heinrichs & Dr. Tobias Vlček

### Welcome

### Mock Exam Overview

#### Today's Session

##### Mock Exam 01

- Format: 90 minutes, 50 points covering Sections 01–02
- Structure: 3 problems with progressive difficulty
- Permitted aids: non-programmable calculator, drawing instruments
- Strategy: Apply the IDEA method (Identify–Develop–Execute–Assess)

#### Tip

Use time management: secure foundation points first, then proficiency, then excellence.

### Coffee Break - 15 minutes

### Homework Presentations

#### Solutions from Tasks 02-05

20 minutes - presentation and discussion

- Present difficult problems
- Discuss your potential problems
- Share strategies for your solutions
- Review any challenging equations

...

#### Note

Use the time to ask all the questions you have!
